SIGN-OFF

This material palette is presented for client approval. Signing below confirms the materials, brands, codes and quantities shown are approved as the final selection for execution.

TERMS & CONDITIONS

- 1. Materials shown are subject to natural variation in shade, grain and veining; samples approved on site govern over screen or print colour.
- 2. Quantities are estimates based on the current drawing set; final quantities are confirmed at site measurement before procurement.
- 3. Prices are indicative as of the date of issue and are subject to change based on market rates at the time of order.
- 4. Any change requested after sign-off is treated as a Variation, priced and timed separately, per the Payment Schedule.
- 5. This sign-off does not replace the BOQ; final costing is governed by the BOQ once frozen.
